Happenings of Interest from Different Sections.

Miss Margaret E. Connors, R. N., who for seven and one-half years has been in charge of the first dispensary in Burlington, has resigned and will spend the winter at her home in Chatham, N. B.

The life of Marion, little daughter of G. L. Nichols of Enosburg, was saved a few days ago only by the efforts of an employe on her father's farm, who, seeing that her clothing had caught fire from a bonfire, stripped off her clothing before her burns proved fatal. She is recovering.

The entertainment committee of the Merchants' association of Bellows Falls is co-operating with a committee appointed by Byron A. Robinson, head of Pierce-Lawson post, American Legion, in planning a suitable celebration for Armistice day, Nov. 11. A parade and speaker, a football game, a carnival and dance in the evening are planned for the occasion. The Legion committee is composed of James McDonald, chairman, P. C. Belknap and William Carey.

Ernest Venette, the 16-year-old boy who attempted to commit suicide by hanging at Caledonia county jail recently, attempted to break out of the Caledonia county jail at Hyde Park last week. His attempt was unsuccessful. On this occasion Venette tried to crawl through the small passage that is used for handing in food to prisoners. He succeeded in getting part way through but became lodged and could not get any further nor could he get back into the jail. The sheriff was forced to use force to pry the boy loose from his position.

Rufus H. Noonan of Buffalo, N. Y., a prominent contractor, well known in Bridport and Vergennes and having a son who is a surveyor on Broad Leaf mountain, who has been missing since July 9, has been found in Portland, Me. Curiosity in regard to what the papers said of his disappearance led him to write letters of inquiry. He placed a check for \$1000 in the hands of a living beyond his means. He had purchased a garage in Portland and was going under the name of Rufus Hazard. He threatened to flee somewhere else if his present happiness is disturbed.

TO DEVELOP MORE POWER.

Hortonia Company of Rutland Plans Changes.

Rutland, Oct. 21.—The Hortonia Power company, which has headquarters in this city, is soon to build one unit of a 4,000-horsepower hydro-electric plant on Otter creek at Middlebury by raising two wooden dams extending from either shore to an island. These dams were constructed many years ago for a grist mill, the Hortonia interests having owned the site for some years. The generator which will be put in first, on the island, will be of 800-horsepower. Later a power house capable of producing 1,000 horsepower will be constructed on the east side of the stream.

The Hortonia company and its affiliates, the Eastern Vermont Public Utilities company and the Port Henry Light, Heat and Power company, serve many towns extending from Minerva, N. Y., to Woodsville, N. H., with light and power. It has 15 plants in New York and Vermont, having secured the rights and developed all the principal water powers in central Vermont, among others. Two other plants are under construction.

The Weybridge plant is to be about four and a half miles down stream from Middlebury. The Hortonia already has three developments between Middlebury and this point.

NATIVE OF BROOKFIELD.

George F. Winch Died at Melndoes on Thursday.

Melndoes, Oct. 21.—George F. Winch, one of the best known business men of Barre and Caledonia county, died at his home in Melndoes early Thursday morning. Mr. Winch had been in failing health for several months and had recently returned home from the hospital after a serious operation. He had not fully recovered his strength from this operation and had overtaxed his strength. He became worse and failed rapidly. If he had lived until Oct. 22, he would have been 70 years old.

The funeral will be held at the Congregational church in Melndoes Sunday afternoon at 2:30. Burial will be in the family lot in the Melndoes cemetery.

Mr. Winch was the son of Rev. C. M. and Jane Winch, and was born in Brookfield, Oct. 22, 1851. Mr. Winch's father was one of the best known Congregational ministers of his time and filled long pastorates in Worcester, Plainfield, Corinth and Lower Waterford.

Mr. Winch received a good common school education in the towns of Worcester and Plainfield, and at the age of 18 began his mercantile career. In 1873 he married Addie Mann of Barre and to them have been born two daughters, Miss Flora M. Winch of Melndoes and Etta A., wife of E. P. Sawyer of Portland, Me., who died in 1902. Mrs. Winch, who is the present postmistress at Melndoes, and Miss Flora survive him.

After going into business, Mr. Winch engaged in trade in a store in Waits River. Later he had a valuable and eventful experience as clerk and foreman nine years with the Vermont Copper Mining company at Ely, where, during the "Ely War" he showed a courage and presence of mind in diverting the attention of the rioters that saved much valuable property from destruction. Mr. Winch had charge of a store in Lyndonville for two years and later, of the Woods store in Passumpsic. He commenced business in Melndoes in 1888, which he conducted until his death, adding different interests and departments from time to time until it has become one of the most important general merchandise stores in this section. He was prominent in town and county affairs, having served the town as constable and collector and representative in the legislature, and the county as deputy sheriff and later as high sheriff most acceptably for several years.

He was an active member of Hecctor Lodge, K. of P. He was a member of the Congregational church and was for seventeen years postmaster at Melndoes.

SHE LIVED IN DREAD MOST OF THE TIME

Indigestion Kept Her Miserable Twenty Five Years—Finds Relief at Last

I'm just overjoyed at the results I have obtained from Tanlac and I feel better than I have in twenty-five years," said Mrs. E. J. Berry, 25 Olympia street, Portland, Me.

"For years I had been subject to acute attacks of indigestion and I lived in dread of them almost all the time. My nerves were all unstrung, I had frequent headaches and it was very seldom I ever got a good night's rest."

"I can say for Tanlac it has made me a well and happy woman and I don't feel now like I had ever known a sick day in my life. It certainly is a grand medicine."

Tanlac is sold in Barre by Barre Drug Co. in Groton by G. C. Smith, in Marshfield by E. W. Gilman, and in Plainfield by E. F. Leavitt—Adv.

QUIT TOBACCO

So easy to drop Cigarette, Cigar, or Chewing habit

No-To-Bac has helped thousands to break the costly, nerve-shattering tobacco habit. Whenever you have a longing for a smoke or chew, just place a harmless No-To-Bac tablet in your mouth instead. All desire stops. Shortly the habit is completely broken, and you are better off mentally, physically, financially. It's so easy, so simple. Get a box of No-To-Bac and if it doesn't release you from all craving for tobacco in any form, your druggist will refund your money without question.—Adv.

CATARRHAL DEAFNESS MAY BE OVERCOME

If you have Catarrhal Deafness or are even just a little hard of hearing or have head noises go to your druggist and get 1 ounce of Parmitin (double strength), and add to it one-fourth pint of hot water and a little granulated sugar. Take 1 tablespoonful four times a day.

This will often bring quick relief from the distressing head noises. Clogged nostrils should open, breathing become easy and the mucus stop dropping into the throat. It is easy to prepare, costs little and is pleasant to take. Anyone losing hearing or who has Catarrhal Deafness or head noises should give this prescription a trial.—Adv.

Not Candy Chips.

"Gee, but pap eats hard candy," said a youngster as he tried to bite one of the red, white and blue lozenges he found in his father's overcoat pocket.—Boston Transcript.
